This two-day workshop focuses on helping participants develop patient-centered interactions and communication skills that will aid them in their practice and in preparing for the MFDS Part Two Examination.

The workshop will feature lectures and discussions covering various essential topics such as history-taking, explaining special tests, diagnosis, prognosis, treatment options, treatment planning, consent-taking, breaking bad news, and handling complaints. Additionally, participants will engage in practical activities including Objective Structured Clinical Examination (OSCE) stations and a mock OSCE circuit. These exercises will present a diverse range of clinical scenarios, followed by detailed discussions and individual feedback sessions.

To maximise the benefits of the workshop, participants should already possess basic knowledge in dentistry relevant to the MFDS Part 2 exam syllabus, equivalent to that of a practicing dentist.

OBJECTIVES

- To assist participants in preparing for the MFDS Part 2 examination.
- To aid participants in developing patient-centered interactions and communication skills.
- To facilitate self-assessment and reflection among participants to identify gaps in knowledge and skills for improvement.

REGISTRATION FEE (inclusive of SST)

Regular
RM1950

IMU Alumni
RM1365

TESTIMONIALS

“ I found that the course does more than just prepare me for the exam. It provides very practical tips from experienced experts in communicating to my patients in a variety of day to day situations and also challenging situations. ”

By Dr Tan Meng Ern,
Joseph

“ The lectures were extremely insightful and the mock examination helped tremendously with my confidence to face the simulated patients on the actual examination day. ”

By Dr Shawn Paul
