# SYNOPSIS

## WORKSHOP ON ADVANCED CLINICAL SUPERVISION -GROUP SUPERVISION MODELS-

Through didactic and experiential learning activities, participants in this 6-hours workshop will acquire knowledge and skills in utilising two group supervision approaches in their work with supervisees that help them go beyond providing case consultation. Participants who will benefit most from this workshop are experienced practitioners who have completed basic training in counselling or clinical supervision and experience in supervising trainees.

**6 SEPTEMBER 2019 (FRIDAY) | 9.00AM TO 5.00PM**  
**INTERNATIONAL MEDICAL UNIVERSITY | BUKIT JALIL**
