Intellectual property protection is critical to fostering innovation. Without protection of ideas, businesses and individuals would not reap the full benefits of their inventions and would focus less on research and development. Moreover, IP can be a weapon or a defence of a business.

TEE IP would share on the overview of Intellectual Property Right and its importance in this day and age, particularly in the healthcare and pharmaceutical industries. Learn to create value of your innovation via IP right.

IP is necessities, not a luxury! Do build you assets, not liabilities.

OBJECTIVES

- Learn the insight on the different forms of intellectual properties and its' application to the Healthcare and Pharmaceutical Industries
- Understand the necessity of getting IP protection
- Identify the appropriate IP for your idea/creation
- Understand the Dos and Don'ts for IP to avoid pitfalls
