Dental nurses and dental surgery assistants are invaluable members of the team that manage the oral health needs of the population. They have a crucial role to play in this team and to be effective in this role, they need to acquire and be competent in a wide range of skills.

This course aims to reinforce some of the key skills that they possess.

Programme Highlights:

- Demonstration by experts
- 3 hands-on sessions
- Topics selection is based on last year's feedback
- Increased market demand for DSA's with the above mentioned skills

OBJECTIVES

- Perform effective steps of BLS in adults
- Understand radiation safety and be able to take good quality peri-apical radiographs
- Effectively assist in minor oral surgery
