

Online Workshop

Mastering the Art of Impactful Feedback on OSCE Performance

DATE:
1 November 2023, Wednesday

TIME:
8:00 am - 12:45 pm

VENUE:
Zoom Platform

During the workshop, Professor Sandra Kemp will delve into evidence-based feedback techniques for clinical skills in OSCEs. Participants will practice feedback strategies, focusing on improving student learning, and reflect on their feedback approaches during hands-on interactions.

WORKSHOP OUTCOMES

1. Use key feedback design principles to inform planning of feedback.
2. Apply an evidence-based feedback model, to create positive impact on student learning from feedback.
3. Evaluate different approaches to feedback for appropriate application in OSCE and other clinical assessment contexts.

KEYNOTE SPEAKER

Prof Sandra Kemp
PhD, Educational Studies
University of Sheffield
United Kingdom

Deputy Dean,
Innovation and Scholarship,
Medical Education at the Graduate
School of Medicine,
University of Wollongong

WORKSHOP OUTLINE

Activities
Introduction to feedback for OSCEs - Key principles for feedback and learning - The role of feedback in enhancing OSCE performance and learning purposes of feedback (formative, summative)
An evidence-based feedback model - Different types of feedback and implications for learning
Hands-on practice session: Giving actionable feedback on OSCE performances - Based on video-recorded student performances - Breakout 2 groups and feedback to participants

REGISTRATION FEE

(Inclusive of SST)

Mode	Regular	IMU Staff
Online	RM200	RM140
